

ENGLISH

For our English work this half term, we are diving headfirst in the fantasy world of Alice in Wonderland. We will be exploring the places in her dreams using our observation and describing skills, making a live comic strip to tell the story in drama and writing a persuasive piece of writing to explain why Alice is guilty or innocent when she goes to court accused of trespassing and stealing.

ESPAÑOL

Trabajaremos los sinónimos, el género y el número de los sustantivos y las grafías ll/y. En Ciencias Sociales estudiaremos nuestra localidad y sus servicios. serservicios.

TOPIC - HISTORY

This half term we are learning about food around the world. We will look at the food eaten by different cultures and the ingredients used.

Year 3

Spring Term 2

Computing

This half term we are learning how to program using the App Scratch. We will combine text graphics and sounds.

MATHS

Our maths this half term continues with the addition and subtraction of money, statistics (tally charts, pictograms, bar charts and tables), length and perimeter and fractions. The children need to be familiar with measuring in cm and m and recognise halves, quarters and thirds of numbers and shapes.

MUSIC

We will understand and explore how music is created, produced and communicated, including through: pitch, duration, dynamics, tempo.

Science

The focus this half term is Magnets and Forces, we will be experimenting with the power of magnets and finding out about pushing and pulling forces in the world. We will design tests to see how strong different types of magnets are and learn about giant magnets used in car scrap yards and machinery.

P.S.H.E.E.

We will be learning about money, how to save money and economics, the journey of fairtrade chocolate, cultures around the world and what really happens to plastic when you throw it away

ART

We will be exploring the world of O'Keeffe and looking patterns and colours in the natural world, particularly shells.

P.E.

This half term we will be practicing our skills with gymnastics flight and learning the skills needed for invasion games.
