

ENGLISH

READ ALL ABOUT IT!!

A dinosaur is on the loose in the British School of Tenerife!

In English this half term, we will be looking at news reports and newspapers. The children will be producing and editing their own news video and creating newspaper articles. This is a perfect opportunity to identify and use direct and reported speech. We will also be studying different authors and looking at the way they write.

ESPAÑOL

Lengua Castellana:

Textos descriptivos y argumentativos.

Verbo: tiempo, modo y formación.

Adjetivo: grados y formación.

Acentuación.

Ciencias Sociales: We are studying the universe and the main achievements of space exploration.

MATHS

In maths, we have been doing lots of work on fractions. We will be learning to simplify, compare, add, subtract, multiply AND divide fractions. You will also need to know how to change improper fractions to mixed numbers and vice versa.

Our next topic will be about position and direction. We will look at coordinates in all four quadrants and translating and reflecting shapes.

Computing

The children will be working on 'Learning' Blogs this half term. This will help them with revision at the end of the year.

Year 6

Autumn Half Term 2

Science

Have you ever wondered why you are similar to members of your family, but also different? We are learning about evolution and inheritance in science. We will also be investigating how animals have evolved to live in their habitat.

TOPIC – GEOGRAPHY

We are studying 'The Americas'. We will be identifying differences and similarities between countries within the region and others.

MUSIC

We are singing songs and building rhythm and creativity skills.

P.S.H.E.E.

We will be learning about changes that occur to our bodies during puberty.

ART

We will be designing and making something special for Christmas, using our sewing skills!

P.E.

We will be learning the skills and tactics required to play a variety of invasion games and improving our dancing!
